

# Tenth International Conference on Future Energy - COFE10

" Including the awesome ExtraOrdinary Technology Conference "

[Integrity Research Institute](#), sponsor of COFE10, is collaborating with the [ExtraOrdinary Technology Conference and TeslaTech, LLC](#) to present a two-day conference event on August 10-11, 2018 with an extra introductory talk on August 9th at 5 PM for a separate fee. Visit [COFE10.org](#) to register or for more information, [Futureenergy.org](#).

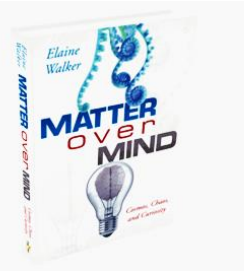

COFE traditionally fulfills the mission statement of Integrity Research Institute to "research scientific integrity in the areas of energy, propulsion, and bioenergetics" so original papers on those vital topics are invited on the topics of energy, propulsion, bioenergetics. Email: [IRI@erols.com](mailto:IRI@erols.com).

Questions, Press Passes, inquiries for potential exhibitors are [accepted by email](#). Free admission for young people under 21 (student or not). It also includes FREE admission for August 8th, 9th and 12th to the concurrent ExtraOrdinary Technology conference going on down the hall if you are 21 and under.

This does NOT include admission the evening Social with pizza and a special plenary speaker's presentation starting Wednesday, August 9 at 5 PM and following evenings starting at 7 PM for only \$20/night separate Social/Food ticket.

The [COFE10 Speaker biography, abstracts, and Schedule](#) is online. The conferences will be held at [Crowne Plaza Albuquerque](#), 1901 University Blvd NE, Albuquerque, NM 87102, 505-884-2500. Mention "TTE" or "TeslaTech" for the conference discount rate. The Preliminary Schedule is below.

Confirmed Speakers are below. We are also honored to have Gwen Holdmann, Director of the Alaska Center for Energy and Power (ACEP) and Elaine Walker, author, musician, and chaos theorist as plenary speakers.
